PSF GRAND SCHOLARSHIP

Description & Qualification Criteria

Scholarship Description

The student selected for this scholarship receives the use of a grand piano in his/her home for two years. This in-home piano placement scholarship is awarded to a student in the Portland area. Piano moving and maintenance are included in the scholarship. The piano passes on to the next scholarship recipient after the two-year scholarship expires. Scholarship recipients are required to perform at all PSF events, as well as adhere to other responsibilities as outlined in the Winter Grand Scholarship Agreement, Participation and Policy Statement, and Release of Liability. The Winter Grand Scholarship also offers other performance opportunities in the community.

Those selected to play for the PSF music jury are asked to perform two pieces of at least intermediate level. The two pieces should be of contrasting nature, e.g. of different time periods (baroque, classical, romantic, 20th century) or of different tempos (no pop music, please).
