PSF GRAND SCHOLARSHIP

Description & Qualification Criteria

Scholarship Description

The Portland-area student selected as the winner of the Grand Scholarship receives the use of a grand piano in his / her home for two years, with piano moving and annual tuning and maintenance costs included. The piano passes on to the next scholarship recipient after the two-year term expires. Grand Scholarship recipients are required to perform at all PSF events, as well as adhere to other responsibilities outlined in the Grand Scholarship Agreement, Participation and Policy Statement and Release of Liability. The Grand Scholarship may also offer other performance opportunities in the community.

Those applicants selected to play for the music jury will be asked to perform two pieces. The pieces should be of contrasting nature – either from different time periods (e.g., baroque, classical, romantic, 20th century), or of different tempos (no pop music).
